Facebook Group: *Warren Game Night*

## What is Game Night?

Since October 2007, the Warren Public Library has held its monthly "Teen and Tween Game Night" where students 10 and older participate in activities and enjoy the many facilities offered by the library.

The best part is that it is *not* just for computers and game consoles. Board Games, Card Games, and even Pen & Paper gamers are welcome to come and play games like Magic the Gathering, Pok-e-mon, Yugioh, Axis & Allies, Monopoly and more. Tables can even be specially set up for larger Table Top games, like Warhammer 40k and Battletech. If you don't game, bring your friends and enjoy the night!

## 2011 Game Night Calendar

Please check with library or the Gaming Website for calendar updates and time changes. <http://www.warrenlibrary.org/teenlounge/>
