

# WARREN PUBLIC LIBRARY GIVING CAMPAIGN

Dear Friend,

Help Us Serve Warren!

Your library needs your help once more.

Despite our best efforts, despite the good intentions of the governments that fund us, despite the help of people like you, Warren Public Library faces the coming year desperately short of funds.

You know that the Warren Public Library serves local residents like you and your family with books, magazines, public programs, records, films, audio and videotapes, DVDs, and Internet access. Your library is your key to learning, entertainment, and knowledge. We have served generations of Warren County, lending materials, answering questions, helping, and serving. Last year alone, the Warren Public Library served more than 186,000 patrons who used over 288,000 items.

You know, too, that in today's economy local governments are being forced to cut support. In the case of our library, this cascades into less and less support from the state, which can result in fewer hours, less service, and a poorer community.

We're doing our very best, but we need your help

Once again, the Warren Public Library's Board of Directors and the Warren Library Friends have launched a campaign to fund our community library while the County Commissioners work to deal with the problems involved in restoring our library funding. Please join us. Your tax-deductible gift can help ensure that the services our library provides to Warren area citizens will continue. It also gives you membership in both the Warren Library Association and the Warren Library Friends.

If you donated last year, we ask you to repeat your performance and consider increasing your gift. If you haven't donated before, please make a gift. Help us continue to offer information, entertainment, and knowledge to the Warren area. Please use the enclosed envelope to send your much-appreciated gift.

Thank you.

P.S. - Your tax-deductible gift will help us serve you and our community! Please mail your check today!
